#### ¶13.14 MESSAGE FROM THE PRESIDENT— A VISION OF CHANGE FOR AMERICA

The SPEAKER pro tempore, Mr. WYNN, laid before the House a message from the President, which was read as follows:

*To the Congress of the United States:*

To accompany my address to the Joint Session of the Congress, I am submitting this report, entitled *A Vision of Change for America*. This report describes the comprehensive economic plan I am proposing for the Nation.

I am asking you to join with the American people in their call for change. My vision is one of fundamental change—to invest in people, to reward hard work and restore fairness, and to recognize our families and communities as the cornerstones of America's strength.

For more than a decade, our government has been caught in the grip of the failed policy of trickle-down economics. While the rich get richer, middle-class Americans pay more taxes to their government and get less in return. My plan will put an end to government that benefits the privileged few and mark the beginning of an economic strategy that puts people first.

My plan has three key elements: economic stimulus to create jobs now while laying the foundation for long-term economic growth; long-term public investments to increase the productivity of our people and businesses; and a serious, fair, and balanced deficit-reduction plan to stop the government from draining the private investments that generate jobs and increase incomes.

The change will not be easy, but the cost of not changing is far greater. We must ensure that our children's generation is not the first to do worse than their parents. We must restore the American dream.

We have already heard the clamor of the powerful special interests who op-
